<b>Home SPA</b> Zurich, Switzerland	8
<b>Le Calice Restaurant</b> Béziers, France	12
<b>Groupe Gazechim Office</b> Béziers, France	16
<b>Villa M*****</b> Gustavia, Saint-Barthélemy	20

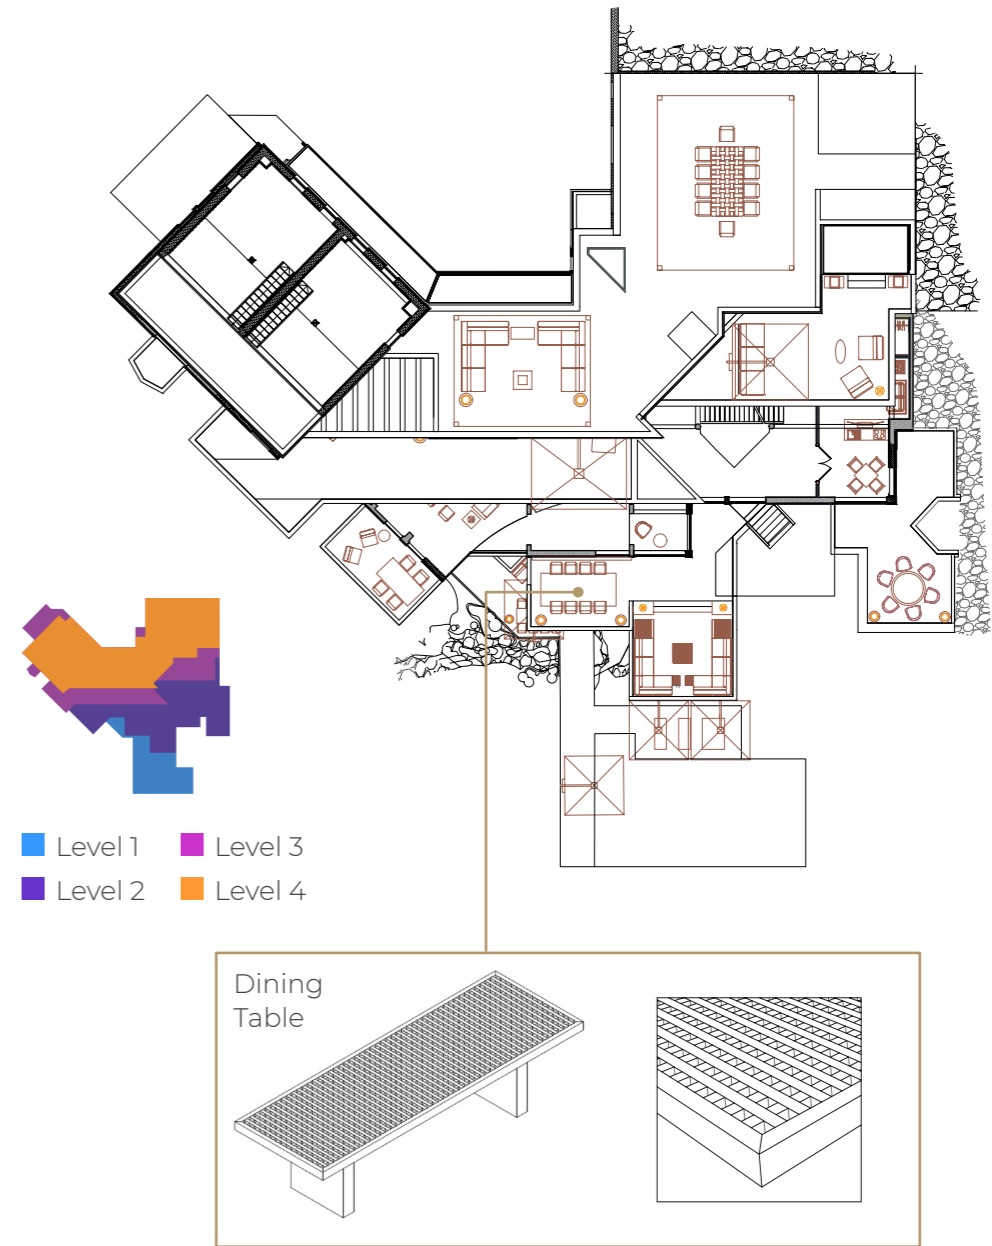

Project name **La C\*\*\*\*\* Private Villa**  
 Project location **Villefranche-sur-Mer, France**  
 in collaboration with Belleville Management S.A.

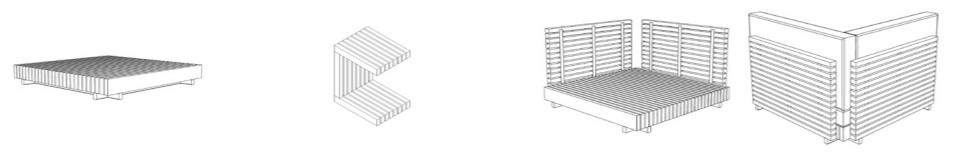

Located on the mountain slopes overlooking Villefranche-sur-Mer, the exterior of the private villa La C\*\*\*\*\* is characterized by a series of terraces that allow different spaces to be identified.

The entire outdoor furniture was bespoke designed and produced recalling the finishes and textures of walls and floors coverings.

All the materials used are high-quality and suitable for dealing with atmospheric events while maintaining their features intact.

Round Table

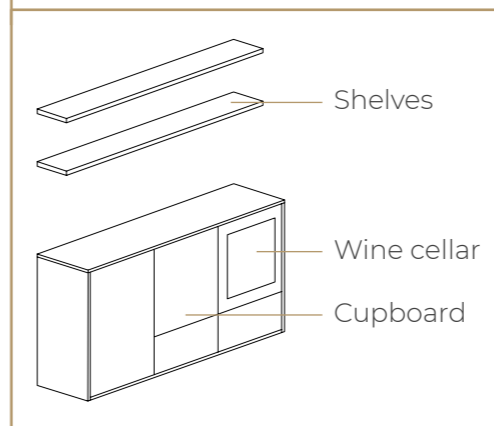

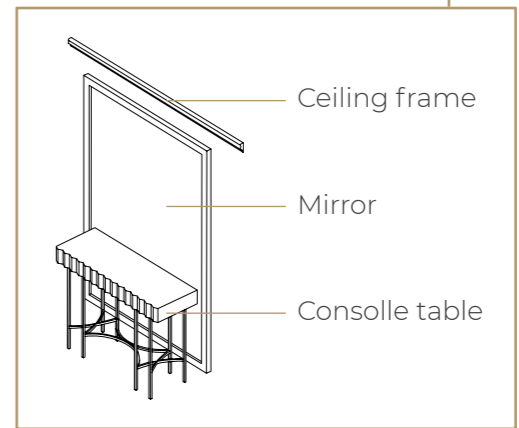

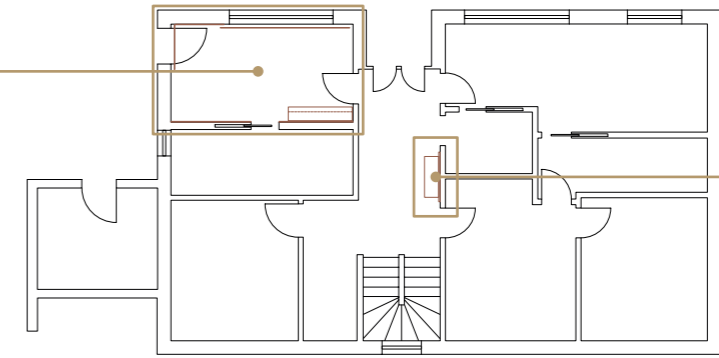

Project name **Private Home SPAs**  
 Project location **Zurich, Switzerland**  
 in collaboration with SDesign

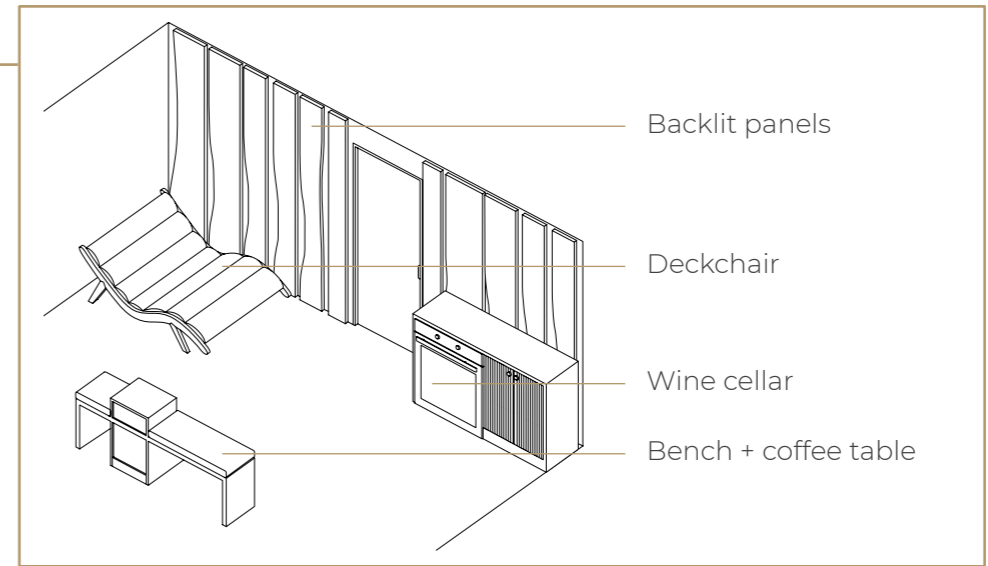

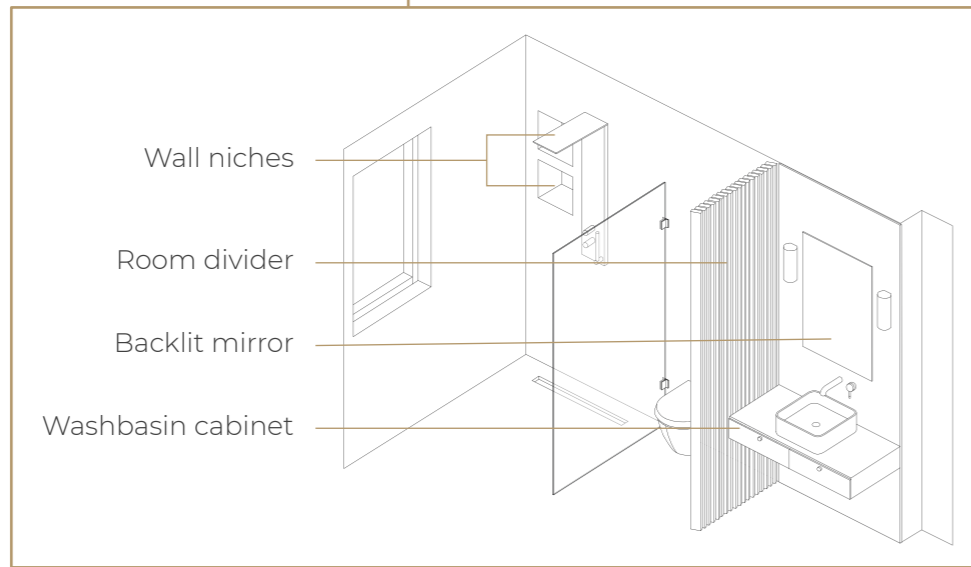

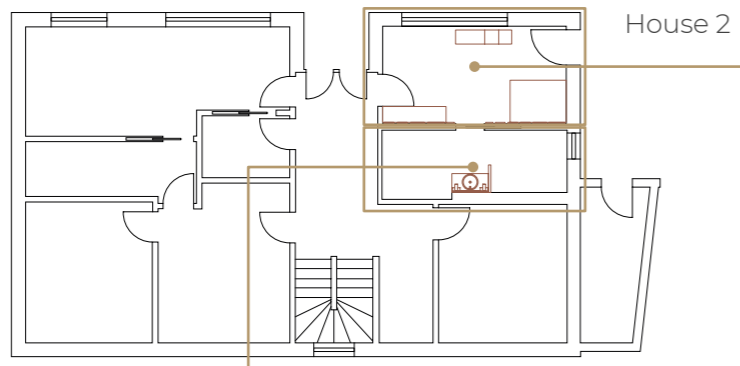

Located on a shore of Lake Zurich, this residential complex enjoys a privileged location and wonderful views of the city and the lake itself.

The project includes the design of bespoke furnitures for the private SPAs of each building. The concept involves the combination of warm materials for the furnitures in contrast with cold-toned coverings.

House 1

Project name **Restaurant Calice**

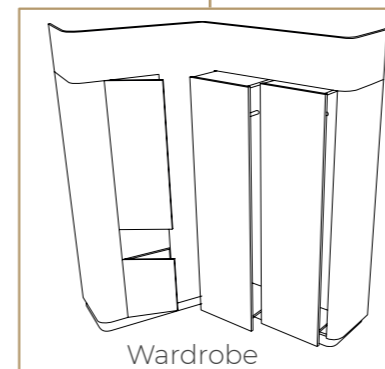

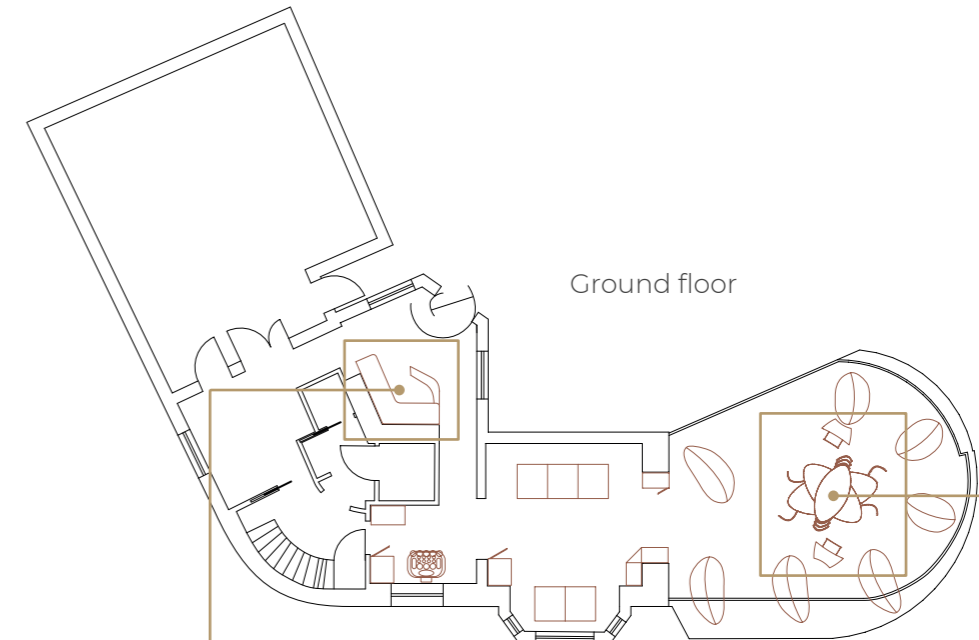

Project location **Béziers, France**

in collaboration with Elementgraphic

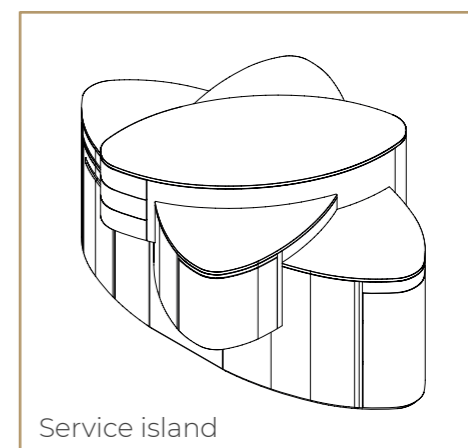

The Calice Restaurant is the result of the renovation of a large villa just outside the center of Béziers. Calice is led by Fabien Lefebvre, a starred chef whose menus highlight decidedly contemporary Mediterranean cuisine.

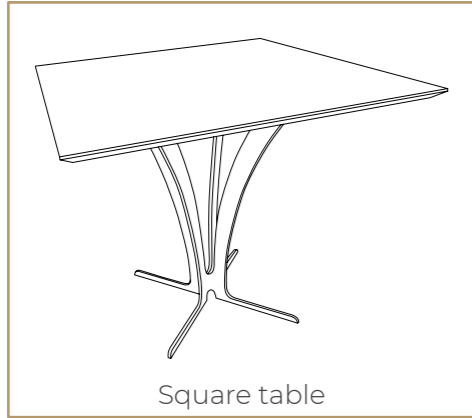

The project includes the bespoke creation of all the tables, sideboards and display cases, as well as the storage island in the center of the restaurant.

Project name **Groupe Gazechim Office**

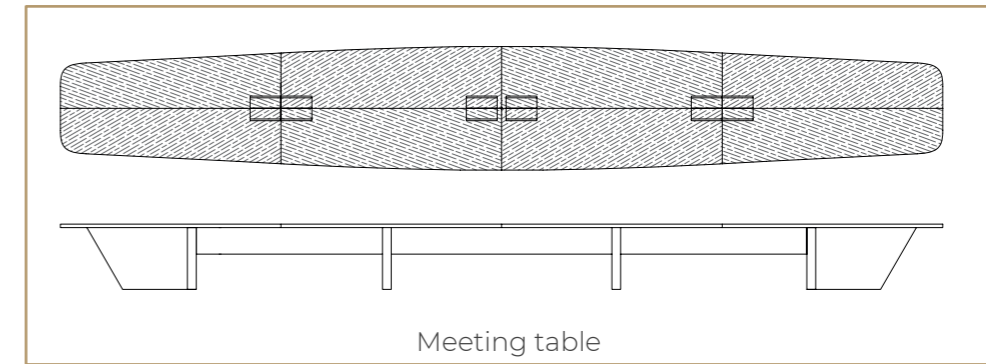

Project location **Béziers, France**

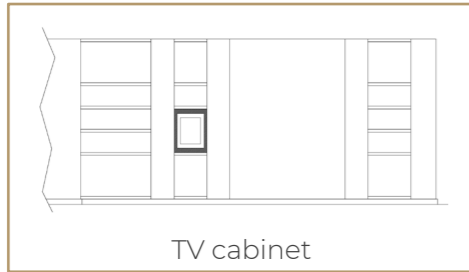

in collaboration with Elementgraphic

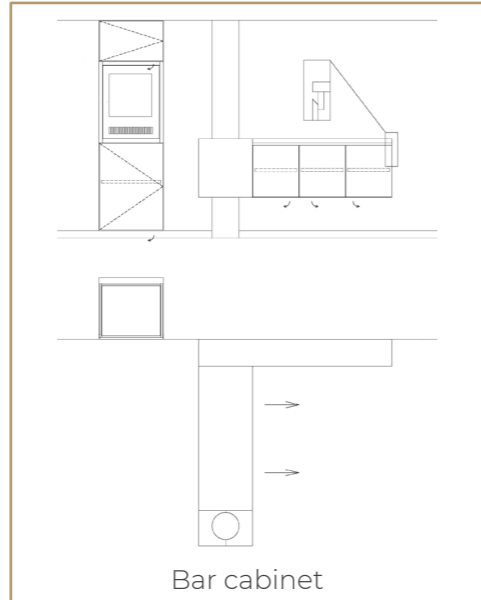

Groupe Gazechim is an independent family-owned French group comprising 40 companies worldwide organised in different business units.

Their headquarters in Béziers, France, occupies an entire modern-style building; arranged on different floors, independent offices are placed along the glass window. Bespoke furniture, desks and meeting tables have been designed for all these offices.

Project name **Villa M\*\*\*\*\***  
 Project location **Gustavia, Saint-Barthélemy**  
 in collaboration with Dix9mai

The smooth hills in front of Gustavia, the main city of the Caribbean island of Saint Barths, are home to the private Villa M\*\*\*\*\*.

Its two main levels develop following the slope of the land, with the sleeping area on the upper floor while the living area looks directly the outdoor swimming pool; the basement houses a cinema, a gym and a spa.

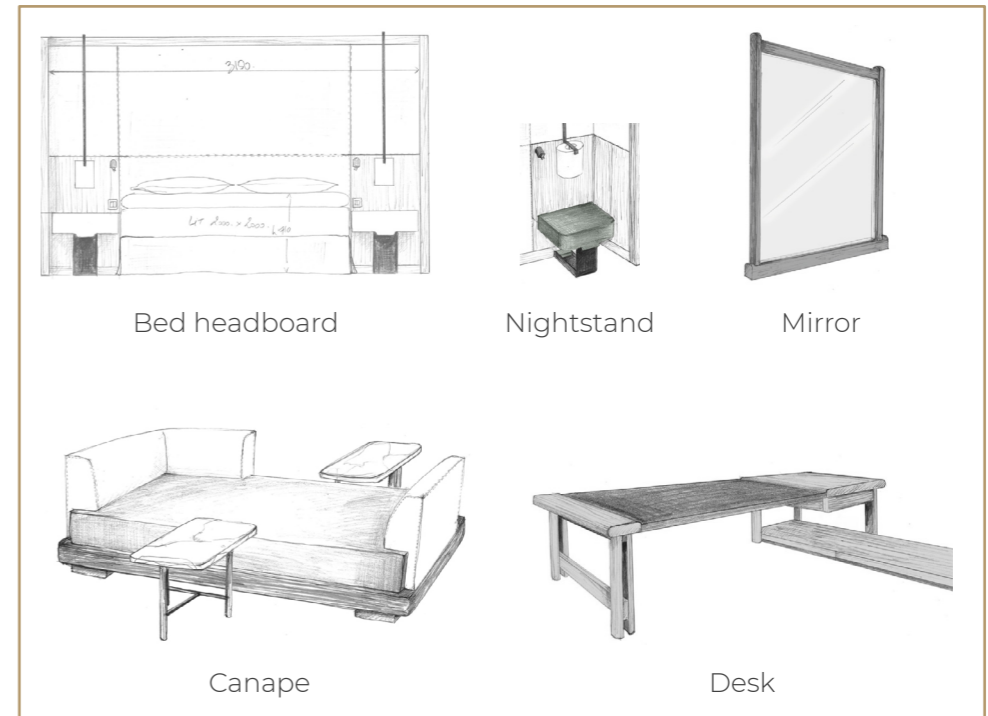

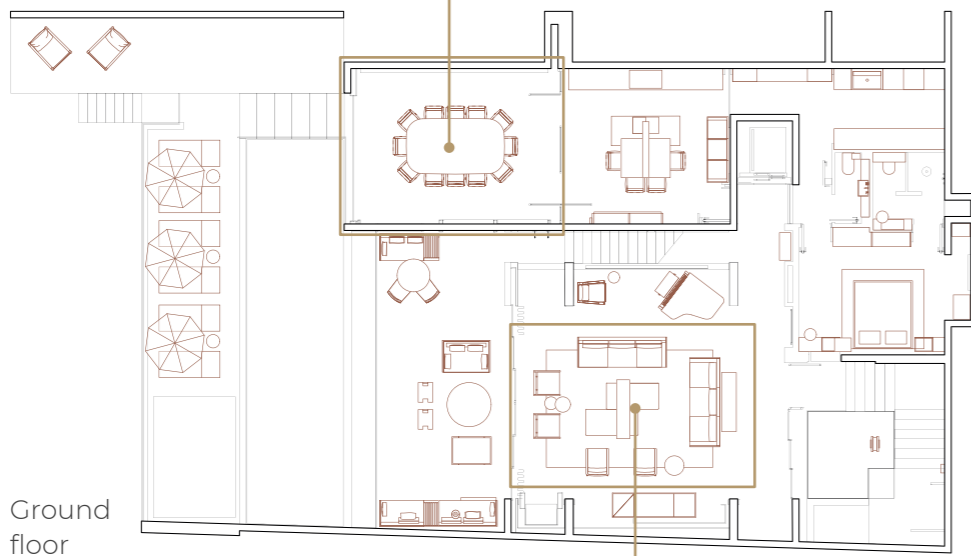

The furnishing trend recalls typical Caribbean styles through materials and finishes.
